

SUPPORTING LOCAL EDUCATION WITH A GUARANTEED 10% SAVING

Do you have a maintenance & monitoring contract which is due for renewal?

If you are in the education sector and based in the North of England, GB Integrated Systems Ltd. guarantee to **SAVE YOU AT LEAST 10%** on your existing fire and security maintenance and monitoring costs.

We recognise that schools, colleges, universities and nurseries are under mounting cost pressures from the recent threats of Government cuts and we aim to provide support where we can.

Educational facilities have unique requirements for their fire and security systems. The safety of the students and the security of the facility and assets alike is of paramount importance.

GB Integrated Systems Ltd. are well established in the educational sector and have a wealth of knowledge and experience in designing, installing and maintaining systems that comply

with the legal and practical needs required.

The team at GB Integrated Systems are qualified and security cleared to the highest levels in the security sector with all personnel having full Disclosure Scotland's, security screening to BS7858 and police clearance as well as CRBs and annual lifestyle checks.
